

32" outdoor Signage monitor (จอภาพโฆษณาแบบติดตั้งกลางแจ้ง)

ACE OD320M

The **ACE OD320M** Plug and play LCD advertising Display enables the retailers or end users to show targeted messages easily and conveniently. Contents can be updated regularly and quickly using a USB / SD card with auto-copy functionality. Just copy the contents into USB Memory stick / SD card from PC, insert the USB into display, then contents will be copied into built-in memory card automatically.

The player is also capable of playing files in all kinds of media formats with scrolling text. As all displays come with a free user friendly playlist editing software. This software allows you to manage the media playlists, arrange when ads display and how long should they display, also can set on/off time. It makes the advertising be more easily to manage.

Key Features:

- Support Picture, Music and Video in 1080p
- Support SD, USB, HDMI
- Support 5 groups timers for auto turn on/off
- Auto play the designated file at the specific time
- Update the contents by USB Drive to SD Card
- Scrolling Text with different color and effect
- Slide-show function, to play music and pictures at the same time
- Landscape & Portrait display mode options

Designed for:

- Security
- Transportation
- ATM Automation
- Medical Equipment
- Gaming Machine
- Networking POS
- General Application

Specification
